## GOLDFIELDS ENVIRONMENT MONTH

Goldfields Environment Month (GEM) is co-ordinated by the Kalgoorlie-Boulder Urban Landcare Group (KBULG) and is held during the month of June. GEM incorporates World Environment Day on Tuesday 5 June and Arbor Day on Friday 8 June (see page 2 for ways to participate in World Environment Day & Arbor Day)

KBULG also co-ordinates the Junior Landcare drawing competition for GEM. Students are asked to draw the bushland surrounding their home or school. Middle and upper primary school students are also asked to include in their drawing things that cause harm to the bushland such as woodcutting, fire, rubbish dumping, feral animals including cats, motor bikes and irresponsible four wheel driving. KBULG also conducts bushland walks for Junior Landcare Groups in Karkurla Bushland Park during GEM.
