## GOLDFIELDS ENVIRONMENT MONTH

June is an exciting month for the Goldfields, June is Goldfield's Environmental Month [GEM] and is coordinated by the Kalgoorlie Boulder Urban Landcare Group. GEM incorporates World Environment Day on Wednesday 5 June and Arbor Day on Friday 7 June. See page 3 for ways to participate.

KBULG also co-ordinates the Junior Landcare drawing competition for GEM. Students are asked to draw the bushland surrounding their home or school. Middle and upper primary school students are also asked to include in their drawing things that cause harm to the bushland such as woodcutting, fire, rubbish dumping, feral animals, motor bikes and irresponsible four wheel driving. KBULG also conducts bushland walks for Junior Landcare Groups in Karlkurla Bushland Park during GEM.
