## KBULG FINALIST IN WA LANDCARE AWARDS

The Kalgoorlie-Boulder Urban Landcare Group (KBULG) is a finalist in the State Landcare Awards - Alcoa Community Group Award. The winners will be announced on 13 September as part of the 2001 State Landcare Conference to be held in Mandurah.

The Landcare Community Group Award recognises a group which has adopted sound land management practices and is working towards sustainable land use and enhancing and protecting areas on behalf of the community.

Winners of the State Landcare Awards go into the National Landcare Awards, which will be held in Canberra in March 2002.

## COMMUNITY TREE PLANTING DAY A GREAT SUCCESS!

This year's Community Tree Planting Day which was held on 9 June was a huge success with over 300 community members participating. Approximately 2000 trees and shrubs were planted near the airport in preparation for the development of a community park.

Thank you to supporting sponsors, the City of Kalgoorlie-Boulder for supplying the drinks, Western Power for the BBQ and Delta Gold - Kanowna Belle Gold Mines for the special appearance of Korker Roo, who was certainly a hit with the younger members of the community!

Goldfields Limited and the 1st Kalgoorlie Scout Group won the Corporate and Community Challenge for the groups with the most participants.

KBULG would like to thank those people who participated in the Tree Planting Day and for helping us promote landcare and environmental quality of life in Kalgoorlie-Boulder.
