

Waste is a resource with a yet to be determined use.

# Waste Wise School Grants

ROUND 2

## I am accredited

Congratulations your school is one step closer to receiving a Waste Wise School Grant

### Step 1.

Download the application form from [HERE](#)

And the FAQ sheet from [HERE](#)

### Step 2.

Fill in your application in **detail** especially the **budget**.

### Step 3.

Once completed the application must be submitted via the public applications portal before the grant closes.

It helps to give yourself an adequate amount of time before the grant round closes to ensure you have everything filled out correctly and it is signed off by your principle.

## I am not accredited

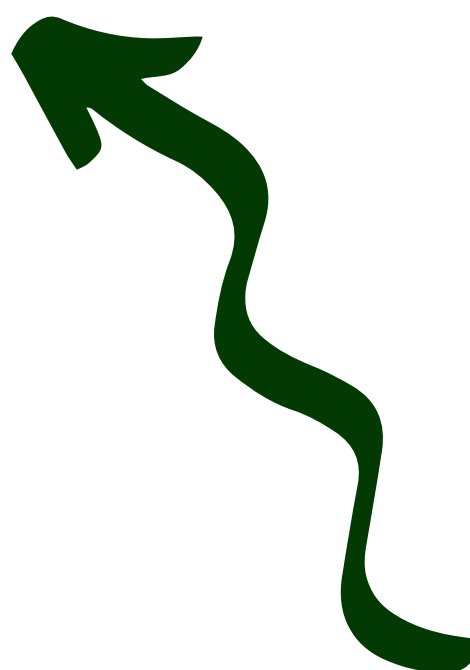

New to the program, not a worry, KBULG is here to help.

### Step 1.

#### Become Accredited

How you ask?

1. Attend an Introductory Waste Wise Workshop
  2. Form a Waste Wise Committee
  3. Conduct a school waste audit - This has been waved for the July grant
  4. Write up a waste policy
  5. Formulate a waste plan
  6. Email your documents to the WWS and you become accredited - Congratulations
- For more information on the accreditation process & examples of the waste minimisation Policy or Plan click [HERE](#)

Congratulations on getting your grant application submitted!

Now you have to wait patiently to hear back. If you are unsuccessful with your application you will get constructive feedback on how to alter your application for success in the next round. Waste minimisation isn't a sprint it's a marathon. We will be with you every step of the way

**Grant applications open May 5 and close 12 noon July 28, 2020**
